

# MICROBIOLOGY AND MOLECULAR BIOLOGY REVIEWS

VOLUME 70 • MARCH 2006 • NUMBER 1

**Diana Downs, Editor in Chief** (2010)  
University of Wisconsin-Madison

*Specialties: Biochemical genetics, bacterial physiology, thiamine biosynthesis*

**Brenda J. Andrews, Editor** (2008)  
University of Toronto

*Specialties: Eukaryotic cell cycle control and cell signaling, yeast molecular genetics, functional genomics*

**Michael J. Buchmeier, Editor** (2010)  
Scripps Research Institute

*Specialties: Viral pathogenesis, viral immunology, emerging viruses, biodefense*

**John E. Cronan, Jr., Editor** (2007)  
University of Illinois

*Specialties: Metabolism of lipids and related molecules, bacterial genetics and physiology, enzymology*

**Jeff F. Miller, Editor** (2007)  
University of California,  
Los Angeles

*Specialties: Bacterial pathogenesis, virulence gene regulation*

**Roy Doi, Editor** (2008)  
University of California, Davis

*Specialties: Biotechnology, biomass degradation, prokaryotic transcription*

**Robert S. Fuller, Editor** (2008)  
University of Michigan Medical  
Center

*Specialties: Eukaryotic secretory pathway and posttranslational modifications, yeast cell and molecular biology and enzymology*

**Martin F. Polz, Editor** (2010)  
Massachusetts Institute of Technology

*Specialties: Microbial ecology, environmental genomics, and symbiosis*

**Michele S. Swanson, Editor** (2010)  
University of Michigan Medical  
School

*Specialties: Molecular microbial pathogenesis and cellular microbiology*

**Beth A. Traxler, Editor** (2009)  
University of Washington

*Specialties: Microbial genetics, protein folding and localization, plasmid biology*

---

**Samuel Kaplan, Chairman, Publications Board**      **Linda M. Illig, Director, Journals**  
**Charles Brown, Production Editor**      **Michael E. Lerman, Assistant Production Editor**

---

*Microbiology and Molecular Biology Reviews* considers for publication both solicited and unsolicited reviews and monographs dealing with all aspects of microbiology. Proposals and correspondence regarding editorial matters should be addressed to the Editor in Chief, Diana Downs, Department of Bacteriology, 420 Henry Mall, Room 120, University of Wisconsin-Madison, Madison, WI 53706-1502; phone, (608) 890-0784; fax, (608) 890-0785; e-mail, mmmbr@bact.wisc.edu.

---

*Microbiology and Molecular Biology Reviews* (ISSN 1092-2172) is published quarterly (March, June, September, and December), one volume per year, by the American Society for Microbiology (ASM), 1752 N St., N.W., Washington, DC 20036-2904. Nonmember print subscription prices (per year) are: \$410, U.S.; \$414, Canada (plus 7% GST, or 7% GST + 8% HST where applicable); \$419, Europe; \$422, Latin America; \$423, rest of world. Member print subscription prices (per year) are: \$60, U.S.; \$64, Canada (plus 7% GST, or 7% GST + 8% HST where applicable); \$69, Europe; \$72, Latin America; \$73, rest of world. Single copies are: \$50, nonmember; \$30, member (Canadians add 7% GST, or 7% GST + 8% HST where applicable). For prices of electronic versions, contact the Subscriptions Unit, ASM. Correspondence relating to subscriptions, defective copies, missing issues, and availability of back issues should be directed to the Subscriptions Unit, ASM; correspondence relating to reprint orders should be directed to the Reprint Order Unit, ASM; and correspondence relating to disposition of proofs and general editorial matters should be directed to the Journals Department, American Society for Microbiology, 1752 N St., N.W., Washington, DC 20036-2904. Phone: (202) 737-3600.

Claims for missing issues from residents of the United States, Canada, and Mexico must be submitted within 3 months after publication of the issues; residents of all other countries must submit claims within 6 months of publication of the issues. Claims for issues missing because of failure to report an address change or for issues "missing from files" will not be allowed.

Periodicals postage paid at Washington, DC 20036, and at additional mailing offices.

POSTMASTER: Send address changes to *Microbiology and Molecular Biology Reviews*, ASM, 1752 N St., N.W., Washington, DC 20036-2904.

Made in the United States of America. Printed on acid-free paper. DOI: 10.1128/MMBR.70.1.2006 CODON: MMBRF7
