Erratum for Ryu et al., Activating and Elucidating Metabolism of Complex Sugars in *Yarrowia lipolytica*

Seunghyun Ryu, Julie Hipp, Cong T. Trinh

Department of Chemical and Biomolecular Engineering and Bredesen Center for Interdisciplinary Research and Graduate Education; University of Tennessee, Knoxville, Tennessee, USA; Bioenergy Science Center (BESC), Oak Ridge National Laboratory, Oak Ridge, Tennessee, USA

Volume 82, no. 4, p. 1334–1345, 2016. Page 1334, abstract, lines 7 and 8: “. . . a carbon source, but xylose dehydrogenase. . .” should read “. . . a carbon source, but xylitol dehydrogenase. . .”

Page 1334, column 1, line 29: “. . . mediated by a xylulose dehydrogenase. . .” should read “. . . mediated by a xylitol dehydrogenase. . .”

Page 1335, column 2, line 17: “. . . carrying the native xylose dehydrogenase. . .” should read “. . . carrying the native xylitol dehydrogenase. . .”
